

## A Great Leap for Intestinal Research: 20 YEARS AND BEYOND

### Curriculum Vitae

Personal Information	
Title (i.e. Pf., Dr., etc.)	Assoc.Prof
Name (First name Middle name Last name)	Hang Viet Dao
Degree (i.e. MD, Msc, PhD, etc.)	MD. PhD
Country	Vietnam
Affiliation	<sup>1</sup> Internal Medicine Faculty, Hanoi Medical University, Vietnam <sup>2</sup> Endoscopy Centre, Hanoi Medical University Hospital, Vietnam <sup>3</sup> Institute of Gastroenterology and Hepatology
	
Educational Background	
2013-2016	<b>Ph.D. student</b> , Gastroenterology Hanoi Medical University
2005-2011	<b>Medical student</b> , General Medicine Hanoi Medical University
Professional Experience	
<p>I have been a lecturer in General Internal Medicine at Hanoi Medical University and a gastroenterologist at Hanoi Medical University Hospital since 2011. I have a wealth of experience and knowledge in the diagnosis and treatment of GI tract and liver diseases. Besides training activities, I have had over ten years of expertise researching in gastroenterology and hepatology. My research interests include developing new diagnostic and therapeutic methods, gastrointestinal motility and application of artificial intelligence in endoscopy. Since 2018, I have been in charge of leading and implementing scientific researches at the Institute of Gastroenterology and Hepatology (IGH). I have had 69 Vietnamese scientific articles and 7 international publications. I am currently collaborating internationally with the National Institutes of Health (NIH) of the United States and the Chinese University of Hong Kong to conduct some projects focusing on microbiome analysis and leading some projects developing AI technology in GI tract endoscopy.</p>	

# IMKASID 2022

COMMEMORATING  
THE 20<sup>th</sup> ANNIVERSARY OF KASID

THE 5<sup>th</sup> INTERNATIONAL MEETING ON INTESTINAL DISEASES IN CONJUNCTION WITH  
THE ANNUAL CONGRESS OF THE KOREAN ASSOCIATION FOR THE STUDY OF INTESTINAL DISEASES

MAY 12 THU – 14 SAT, 2022 / BEXCO, Busan **IN PERSON & VIRTUAL EVENT** ▶▶
